My question is why are you here? What are you made for? What is your desired result? Where do you want to end? Living your life on purpose will make a difference to how you finish your race. My prayer for you is to finish well and finish strong in Jesus name.

Purpose is the reason something was made or its intended use. It is also what is the desired result or end of a matter. Every manufacture comes with a manual that describes its purpose and how to make it work. Your life is no different, as you have a maker who made you for a reason and a manual that guides.

Purpose informs Attitude, which informs your Beliefs, which gives birth to your Vision. Your Vision with your Actions will determine your ultimately end.

The Manual (The Bible), makes it clear that God knows us before birth, an example from the life of Prophet Jeremiah-Jer 1:5“Before I formed you in the womb I knew you; before you were born I sanctified you; I ordained you a prophet to the nations.” If you add to this the fact that God has a time for everything as stated in Eccles 3:1 “To everything there is a season, A time for every purpose under heaven:” These two in addition to the many prophecies in the Bible make it clear, that God has a plan for you before you were born and ordained path before you take your first step.

God had a purpose in mind for making humans, this is well stated in Genesis 1:26- “God said, Let Us [Father, Son, and Holy Spirit] make mankind in Our image, after Our likeness, and let them have complete authority over the fish of the sea, the birds of the air, the [tame] beasts, and over all of the earth, and over everything that creeps upon the earth.” This is the same for all humans; you are created in the image of the almighty, you have his genes and have been equipped to have dominion in areas of your calling.

The task is to liaise with your creator to discover your purpose. This is absolutely essential in order to fulfil destiny. The crisis in the world is having people doing what they have not been created to do; this makes them average at best. Ask God why you are here, pray about destiny, confirm you are doing the right thing and not assume. Check with God the Holy Spirit regularly and obey. Some may have to change their entire track in order to align with destiny. Start living on purpose today. Shalom.
