## Matthew A Daniel - 2013 year of Progressive Advancements

Volume 11 issue 1 Jan 2013

.2013- Year of 'Progressive Advancements'.

Joshua 21:43-45 <sup>43</sup> So the LORD gave to Israel all the land of which He had sworn to give to their fathers, and they took possession of it and dwelt in it. <sup>44</sup> The LORD gave them rest all around, according to all that He had sworn to their fathers. And not a man of all their enemies stood against them; the LORD delivered all their enemies into their hand. <sup>45</sup> Not a word failed of any good thing which the LORD had spoken to the house of Israel. All came to pass.

The lord made it clear that as many as will connect, this year will be their year of progressive advancements on all the Lord started in the previous year. There will be demonstrable progress in all the lord has promised you. Like every word from the lord, you will need to make warfare and pray it into being. Here are some prophetic characteristics of the year.

- 1- There will be a drastic change of guards in your mind and in your life. God will make the needed changes accordingly, you must let him.
2. You will need to equip and prepare to fight to get what the lord has given you.
3. Once you start to take steps of obedience, Gods supernatural will confirm it.
4. You will defeat many enemies because God has given them to your hands.
5. You must stay holy in order not to experience casualty. Don't give Satan any foothold.
6. You must renew your covenant with God periodically. You must circumcise your heart.
7. You will occupy and none of Gods promise will fail.
8. The world will still be looking for solutions but God will guide you specifically, obey without delay.

This is what the Lord showed me and I have shared it as best as I can. Please study the book of Joshua; it holds the key to this year. Stay blessed. Shalom.
